

FIRST REPUBLIC BANK

INTERNAL TRANSFERS

Transfer money *between* your First Republic accounts.

Digital transfers can be done through Banking Online or the mobile banking app. These transfers between your First Republic accounts can be done with no fees or transfer limits and are processed and available instantly. If you want to set up transfers on a recurring schedule, you can do so from Banking Online. Once recurring transfers have been set up, they will continue as per your instructions.

Transfers with the mobile app

- 01 From the home screen, tap the **Move Money** icon and then tap **Transfer money**.
- 02 Select the accounts to transfer money to and from. Add the amount and date and press **Continue**.
- 03 Tap **Transfer** to complete the transaction. Your funds will be ready to use instantly.

Transfers with Banking Online

- 01 Hit the **Transfers** tab at the top of the page and select **Between my First Republic accounts** from the drop-down menu.
- 02 Then follow the same steps as mobile to transfer funds on your desktop.

Get started.

Point your phone's camera at this code to download the app.
