## CORPORATE ONLINE MOBILE – HOW TO CREATE HOME SCREEN ICON (ANDROID SMARTPHONE)

Have the desire to launch our service just like your other smartphone apps? Follow these easy instructions to create an icon on your home screen.

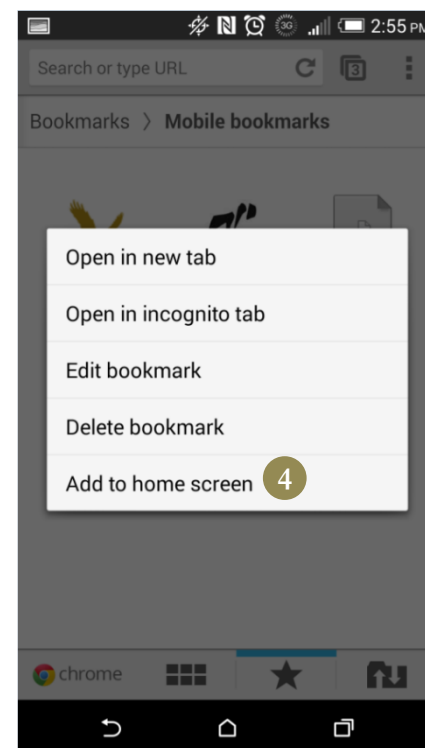

1. On the Corporate Online Sign In page, tap the browser **Menu**.
2. **Save** the page as a Bookmark.

3. Navigate to your Bookmarks page and press/hold the **bookmark icon** you just created.

4. In the pop-up menu, select **Add to home screen**. This will place the icon on your home screen.

Contact our Online Banking Support team for more information or assistance at 1-800-221-9777, option 3.
