

Online Services for Business

At First Republic, we offer online and mobile services designed so that you can securely access your accounts from your smartphone, tablet or desktop, 24 hours a day, seven days a week. In this way, we focus on your banking (so you can focus on your business).

Key Account Benefits

Account Management

- Gain a complete picture of your business accounts and manage your funds effectively.
- Gather and export a variety of account data into a single report.
- Access account statements and year-end tax documents.

Account Security

- Delegate access to a company administrator to manage other users and authorize payments.
- Safeguard against check fraud with our Positive Pay reconciliation feature.
- Receive a free download of Trusteer Rapport banking security software.

Money Movement

- Create ACH payments for direct deposit of payroll.
- Pay bills quickly and efficiently with Bill Pay.
- Initiate wire transfers securely and effectively.

Mobile Specific Features

- Deposit checks faster with automatic image capture.
- Quickly and securely sign in with fingerprint or Face ID.

Mobile and Online Banking Security¹

As part of our ongoing commitment to the confidentiality and security of our clients' data, First Republic not only complies with information security and privacy laws covering client information and identity protection, but we also conduct ongoing reviews to help ensure that our systems and employees meet or exceed both government requirements and industry standards.

In addition to the above, we offer the First Republic Internet Security Health Check Program, an on-site assessment of home or office computers used for monitoring your accounts with First Republic to help you ensure they are secure and properly configured.

Get Started Today.

We're here to help and are never more than a phone call or email away.

For more information on any of our digital offerings for business, please call us at **(888) 408-0288** or contact us by email corporateonline@firstrepublic.com

¹ Mobile banking is free of charge, and available on iOS and Android® to all our personal banking clients. Some mobile carriers may charge additional fees.
