

CORPORATE ONLINE BILL PAY-SAFARI BROWSER SETTINGS

If you use the Safari browser to launch Corporate Online Bill Pay, and encounter error messages or issues using the service, try the following steps:

1. On your toolbar, select Safari > Preferences.

2. Click **Security** at the top of the menu.

- 3. For the **Web Content** settings, verify the check box next to **Enable JavaScript** is selected and the check box next to **Block pop-up windows** is not selected.
- 4. For the Internet plug-ins settings, verify the check boxes next to Allow Java and Allow all other plug-ins are selected.
- 5. Click the **Privacy** icon at the top of the menu. Note what **Block cookies** option is selected (needed for Step 7), and then select **Never** for the **Block cookies** setting. This is the only available option that allows session cookies.
