System Navigation

A report/activity tab line is presented with every view. Each tab represents a different grouping of reports or specific actions that you may take. When accessing a specific report, you can click on any word or phrase that is underlined and "drill down" to a more detailed level of information. Refer to online help to learn more about each area.

Start Page

If you have access to multiple accounts, you can change the START PAGE in WebLink. Click USER OPTIONS, then START PAGE, and then select either the INVESTMENT SUMMARY or the ACCOUNT LIST page. Changes made here take effect next time you log on.

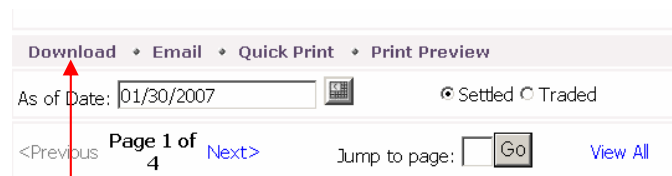

The screenshot shows a web form titled "Change Start Page". At the top, there are four tabs: "Password", "Email", "Challenge", and "Start Page", with "Start Page" being the active tab. Below the tabs, the text "Change Start Page" is displayed. Underneath, there is a label "Start Page:" followed by a dropdown menu. The dropdown menu is open, showing three options: "Investment Summary", "Investment Summary", and "Account List". The "Account List" option is highlighted. To the right of the dropdown menu is a "Submit" button.

Downloading and Printing

On each Report you can print and download as well as view data as of a certain date and on a traded or settlement basis. If a report is too large for display on one page, the data may be organized on multiple pages. You can move between pages by clicking NEXT, PREVIOUS, or entering a specific page number. To see all pages of information on one continuous screen, click on the VIEW ALL button. You will then need to use the scroll feature to view all of the information.
