

# FIRST REPUBLIC BANK

It's a privilege to serve you®

## A MESSAGE TO CLIENTS

July 2019

Dear Clients,

We are pleased to present the consolidated balance sheet of First Republic Bank. Our overall financial strength is greater than ever and we continue to generate a very satisfactory level of profits.

**STRONG CAPITAL LEVELS** — First Republic had total equity of \$9.2 billion at June 30, 2019, and our capital ratios exceeded the levels established by federal banking regulators to be well-capitalized. At June 30, 2019, our Common Equity Tier 1 Ratio was 10.19% and our Total Risk-Based Capital Ratio was 13.02%.

**SUPERIOR ASSET QUALITY** — 54% of our loans are residential mortgage loans originated directly by our bankers and secured by homes of First Republic clients who have strong income, excellent credit, substantial liquid reserves and have generally borrowed a low percentage of their home value.

Total nonperforming assets at June 30, 2019 were only 14 basis points of total assets, reflecting the Bank's exceptional credit quality.

**SUBSTANTIAL LIQUIDITY** — As shown in our balance sheet, the Bank has \$18.4 billion in cash, cash equivalents and investments. In addition, as a member of the Federal Home Loan Bank of San Francisco, we have access to significant unused borrowing capacity if needed for liquidity.

In recognition of the Bank's long and successful history, consistent management, profitability and conservative practices, the Bank has received long-term deposit ratings from Fitch of A and Moody's of A1 (A+ equivalent).

We thank you for your business. It's a privilege to serve you.

James H. Herbert, II  
Chairman, CEO &  
Founder

Hafize Gaye Erkan  
President

Michael J. Roffler  
Executive Vice President and  
Chief Financial Officer
